WHY SVT SPRÅKPLAY?

The **SVT Språkplay** app offers free and easy to use tools designed to suit immigrants aspiring to learn Swedish language and integrate faster into Swedish society.

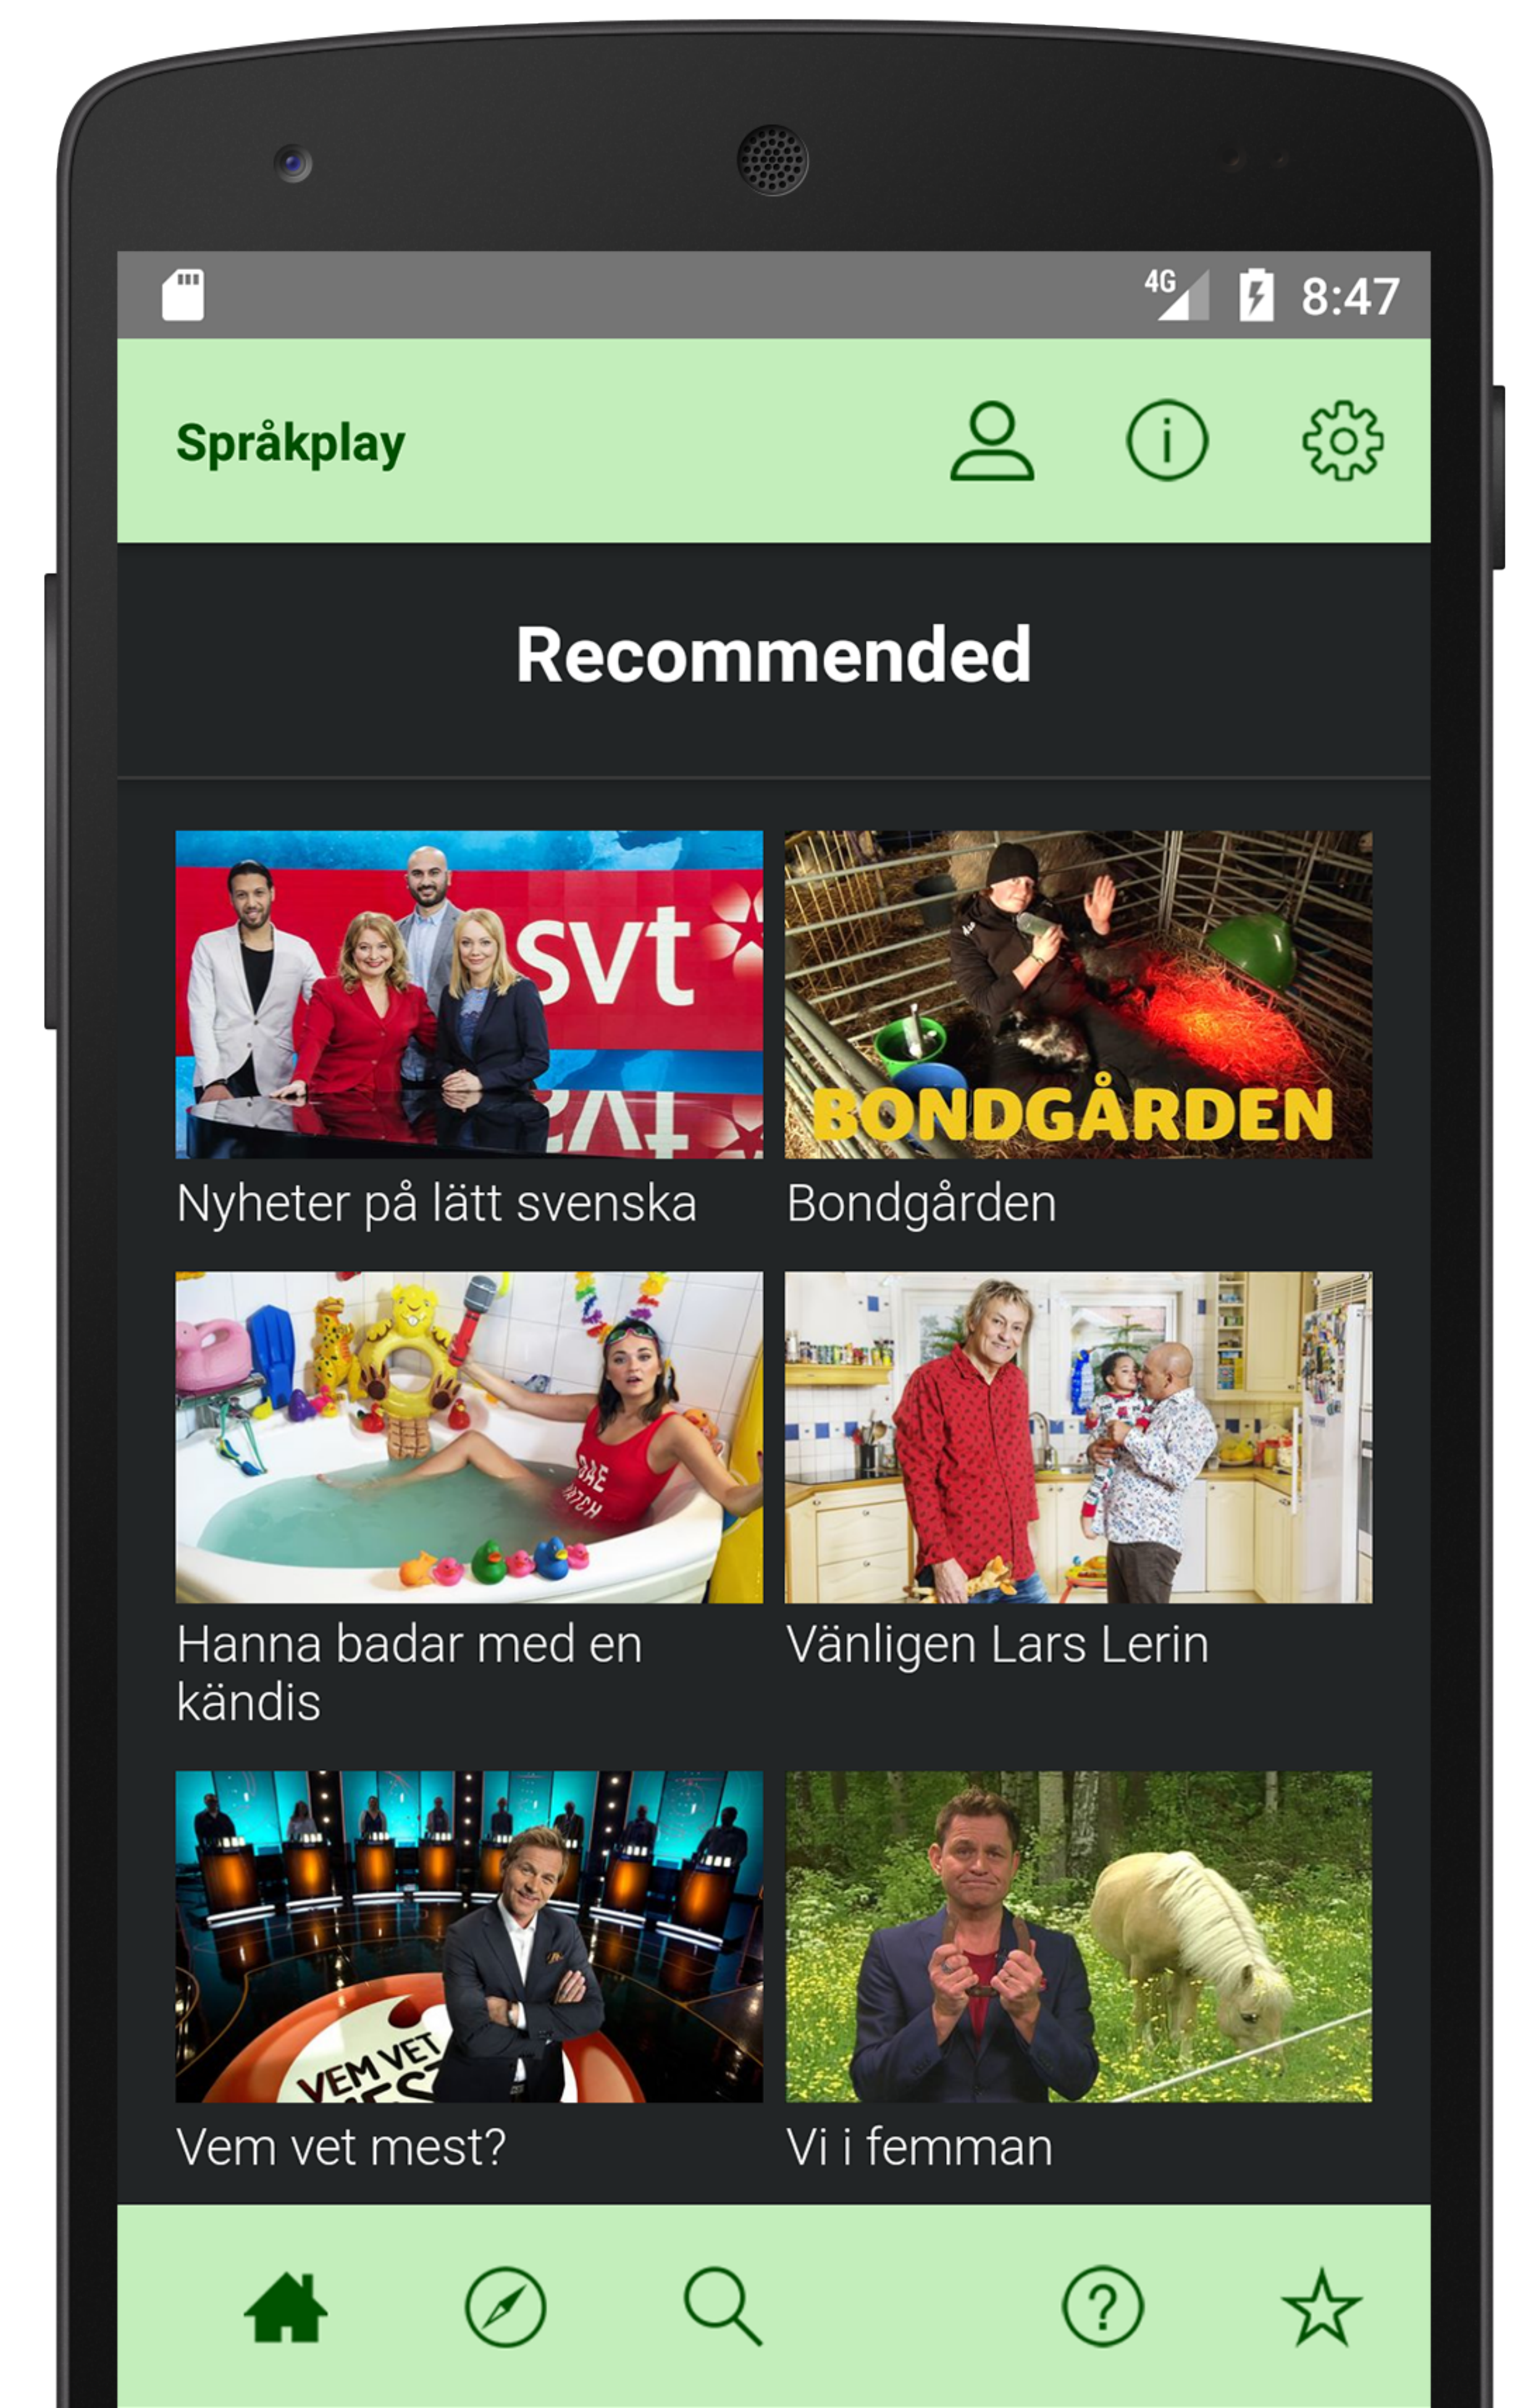

With SVT Språkplay, you can watch your favourite SVT programs with interactive subtitles with language support to **18 different languages**.

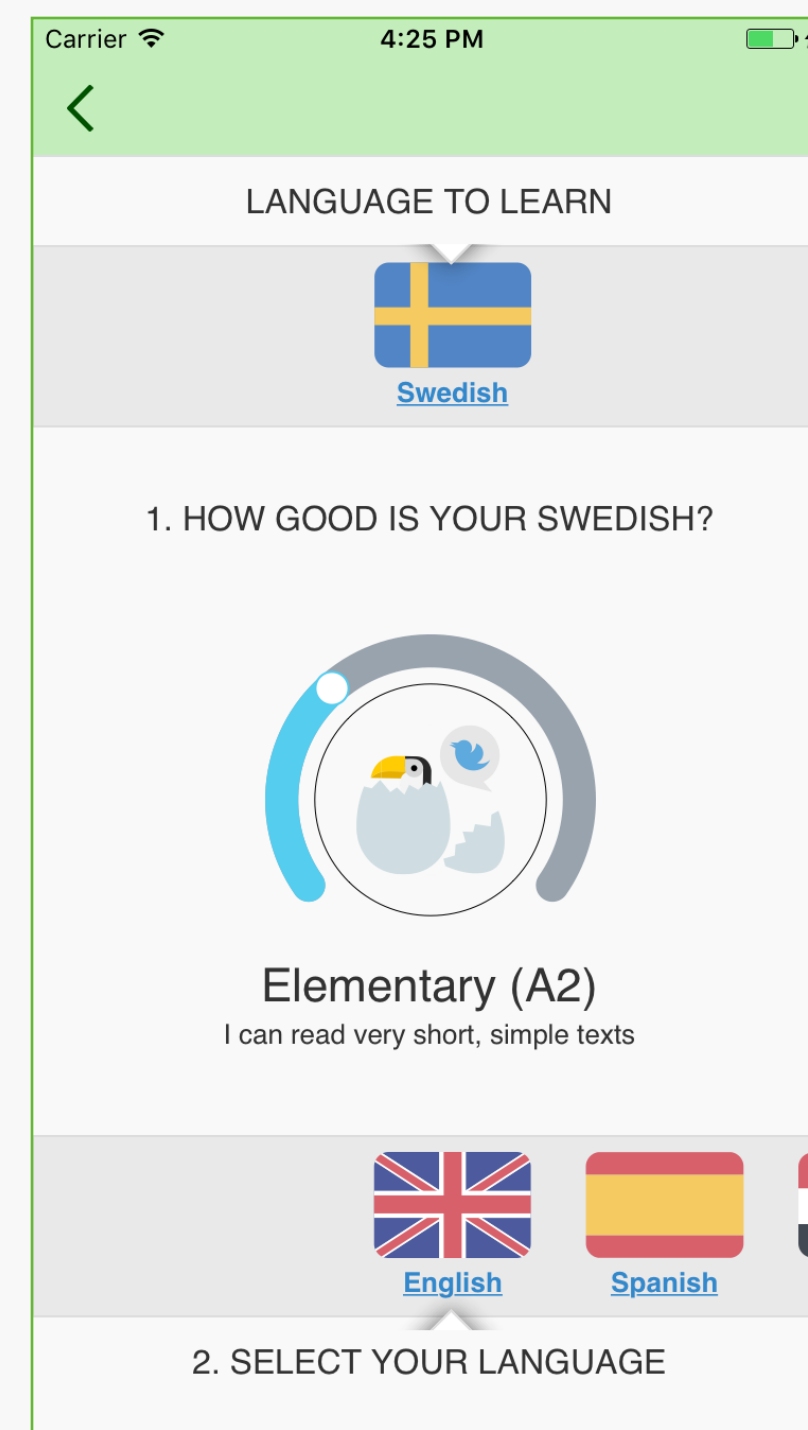

- Choose your Swedish learning level and get recommended programs
- Watch a huge number of different SVT's programs with selectable subtitles.
- Monitor your progress and learned vocabulary.
- View and read program's subtitles separately and take language exercises.
- Helps you to quickly learn and integrate in Sweden

SVT SPRÅKPLAY APP

1

Select level and language

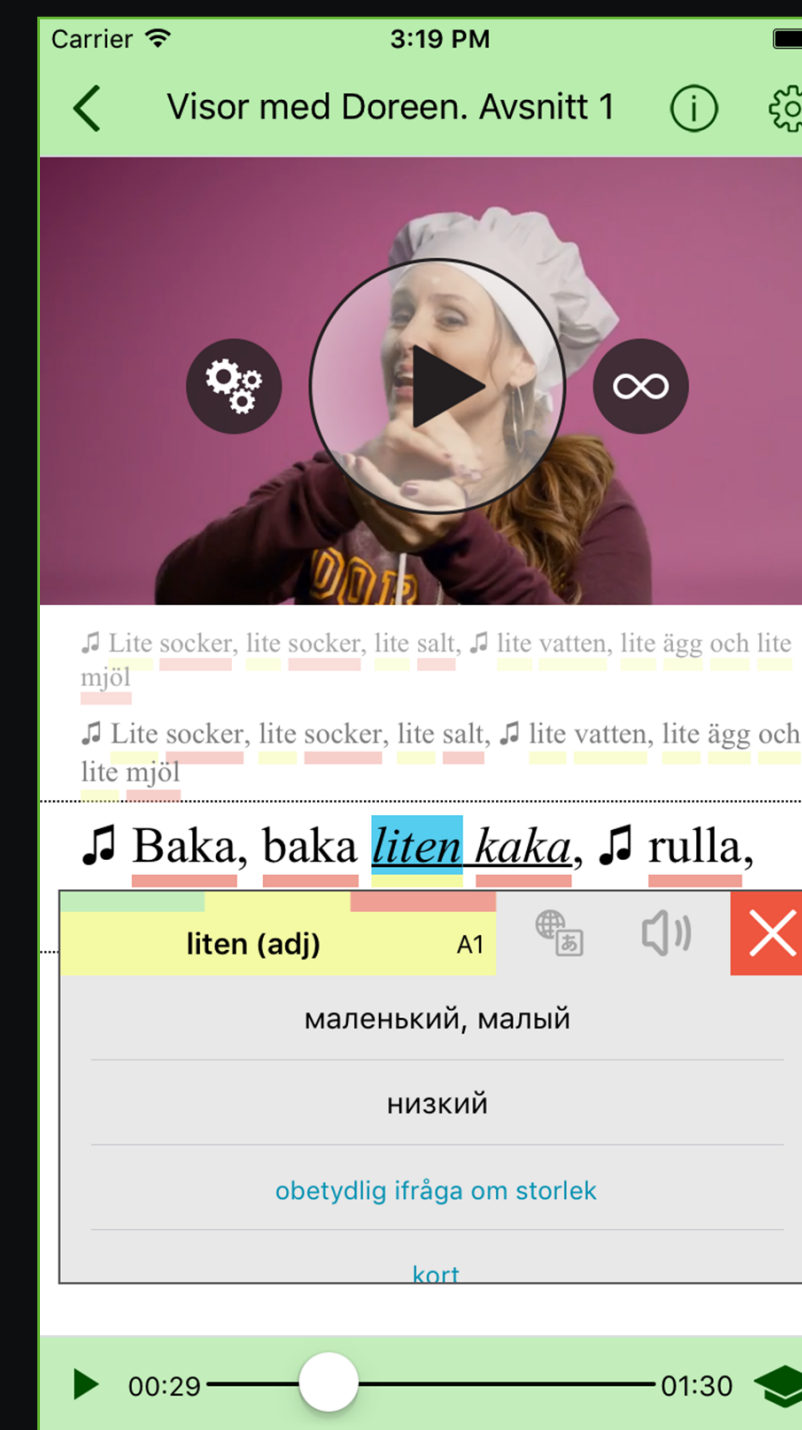

- Download SVT Språkplay application on your device and open it.
- Move the cursor slider to choose your current Swedish language level (Beginner A1, Elementary A2, Intermediate B1, Upper Intermediate B2, Advanced C1 or Proficiency C2).
- Select your language (Subtitles have integrated dictionaries to 18 languages) and then click (Next) to confirm and proceed.

2

Select a program

- Navigate through the various SVT programs and shows, then click on the one you would like to watch.
- Click the Star button to add the program to your Favourites.
- Watch any episode by clicking on the image.

3

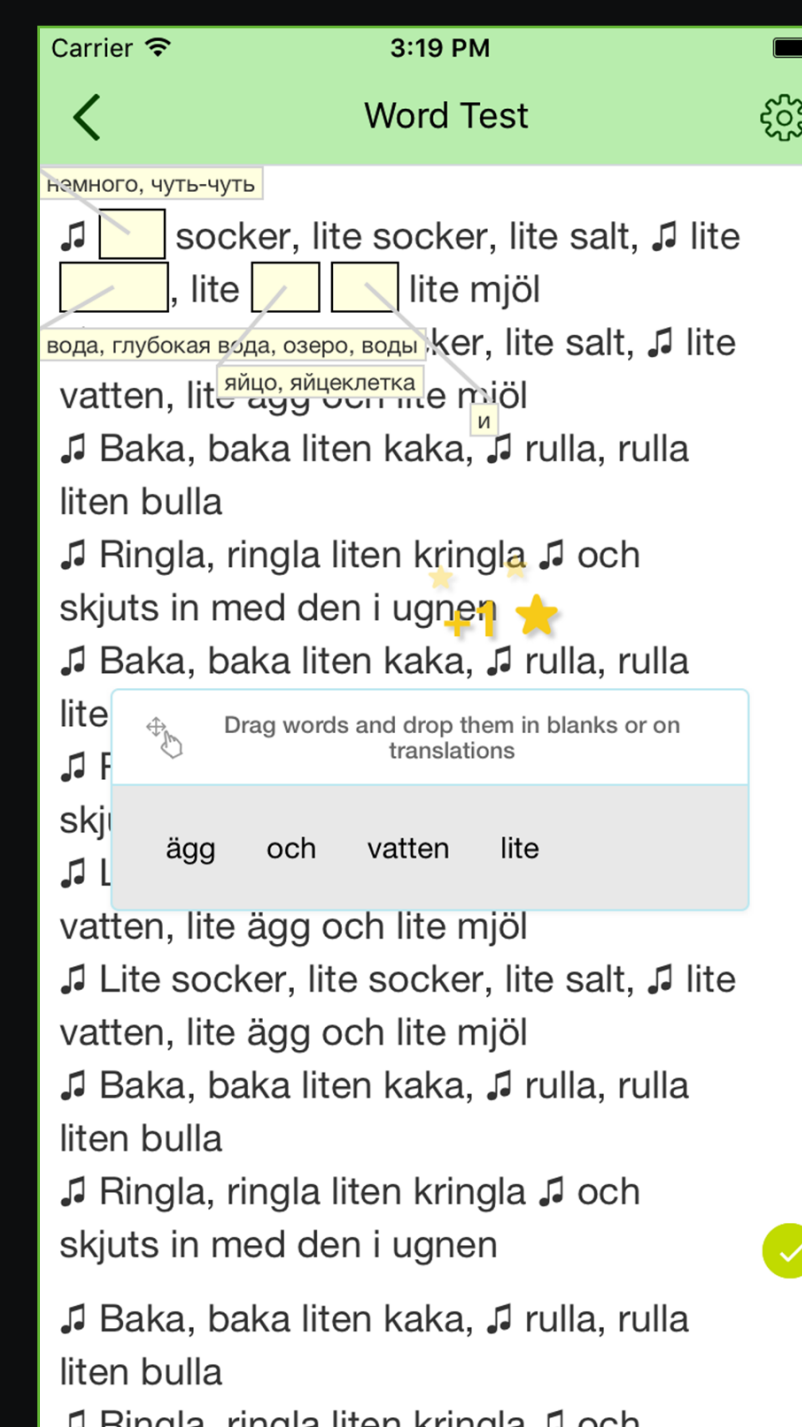

Watch TV with interactive subtitles

- Watch the program and control its speed through the setting button to the left on the video screen.
- The information button (i) can also take you on a short tutorial around the various app and buttons functions.

We urge you to use the question mark button to tell us more about your experience, suggestions and feedback.

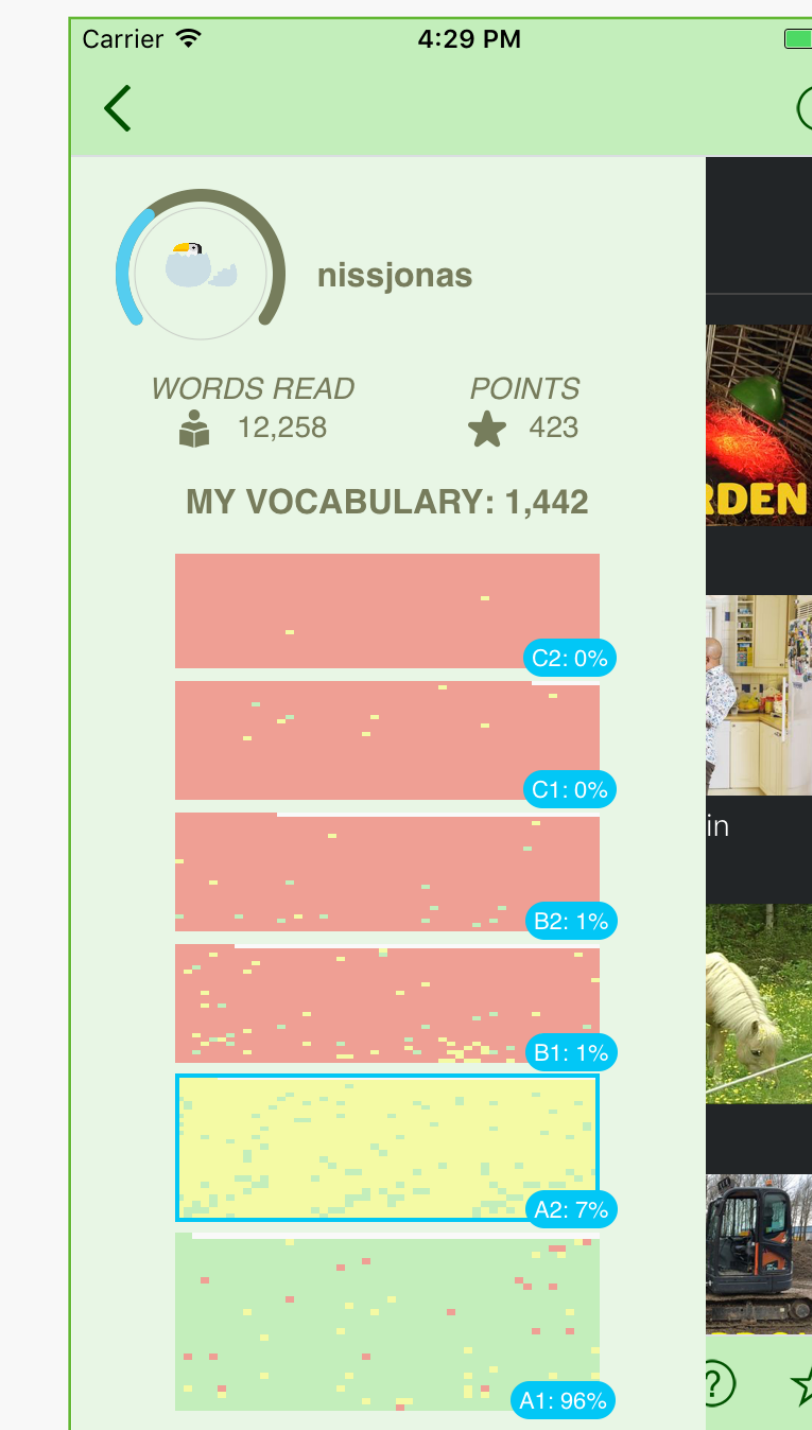

This will help thousands of users make SVT Språkplay the application of choice.

4

Learn by exercises

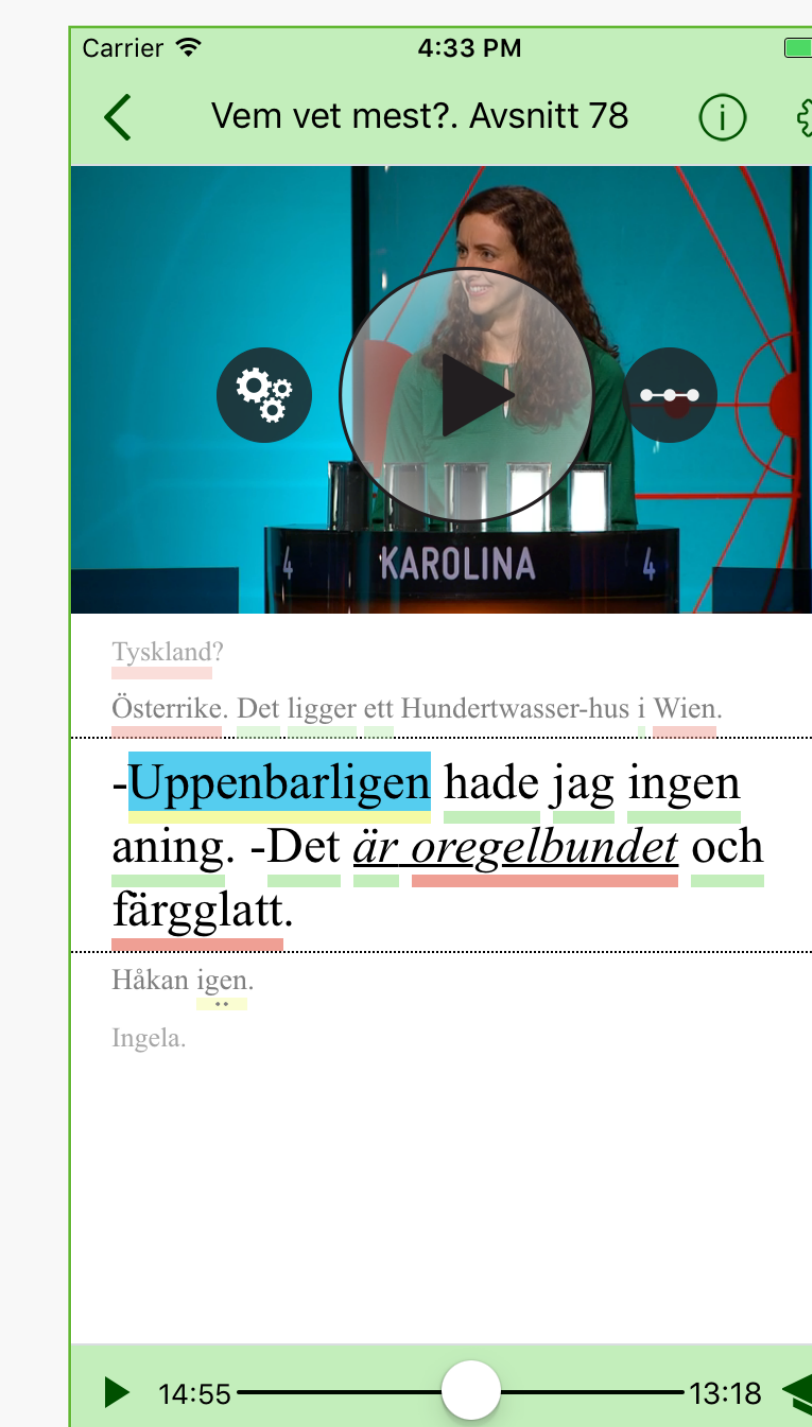

- After watching the video, you can read the full subtitles and launch exercises by tapping the student hat icon.
- Drag the correct word into the blank to earn points.
- Confirm reading by tapping the circle button after each paragraph to earn reading points.

5

Personal Learning Profile

- Tap the top left User icon on the home page to access your Personal Learning Profile.
- There you find that the Basic Swedish Vocabulary has been mapped to the six levels in the Common European Framework of Reference of Languages (CEFR).
- Completing the exercises will earn you points and update your Personal Learning Profile.
- Don't forget to register to save your Personal Learning Profile for back-up and to work on multiple devices and other Språkkraft apps.

6

Reading support

- When reading subtitles you find that words are marked in the three colors:
 - GREEN** - user should know them;
 - YELLOW** - user should learn them now, while;
 - RED** - user can learn them later.
